# DESTROYER *Leisure Series*

## **Storage**

With a 2.28 beam and a length varying from 5-6m, the size range of the Destroyer series makes life easier for those with limited storage facilities.

## **Versatile**

The Destroyer series are one of the most capable on the market. It will accomplish anything you put to it. Whether you just want to cruise and go out for day trips or diving or whether you want to use it for rescue and commercial purposes, this rib will fulfil your needs.

## **Budget**

Most people don't have an endless budget. If you fall in this category, this could be the rib for you. Priced competitively, you will be getting a high performance, commercial strength boat.

## **Individual Needs**

Have a certain set up in mind? The Destroyer series can accommodate the layout to suit you, whether that is from a range of consoles to a certain seating arrangement to a particular colour. Maybe you might want something extra like an ipod docking station or a bimini?

## **Tried and Tested Hull**

Our Deep V hull design is like no other on the market which in turn offers a ride like no other. Come for a test drive and compare it to others on the market. We dare you!

## **A boat for all experience ranges?**

The quality of the boat will make up for any mistake made by the driver. Easy to navigate and control, it doesn't matter if you're a newbie or a seasoned veteran of the sea, you'll have just as much fun!

## **Test Drive and Advice?**

Contact your local Humber dealer for more information and/or arrange a test drive. We want to make you feel at ease and want you to see that we can walk the walk! Start your Humber rib adventure here.

# DESTROYER *Leisure Series*

*Designed to exceed expectation. The Destroyer leisure series promises you an effortless dry ride due to our performance deep 'V' hull design. With safety and comfort in mind, you'll be guaranteed the exhilarating performance that you crave.*

*Whether you're beach hopping with the family or engaging in watersports, this versatile rib will bring that extra element of fun to the table.*
