Whaly Funboard

Choose Whaly for boating fun!

Whaly boats

Whaly manufactures boats using rotomoulding, which means that we can produce fully Polyethylene (PE), one-piece, double-walled craft.

All Whaly models are perfect for recreational use, but many of them are also very suitable for professional purposes. Whether you are looking for a stable escort craft for a sailing school, a Whaly boat for rescue operations or a rugged Whaly for your boat hire business, Whaly's well thought-out design, which emphasises strength and stability, offers many options.

There's boating fun for everyone! Whaly boats are suitable for:

- ✓ Recreational boating
- ✓ Tenders
- ✓ Work boats
- ✓ Rescue operations
- ✓ Boat hire companies
- ✓ Escorts boats for water sports schools
- ✓ Angling and sport fishing
- ✓ Electric sailing

Of course, you want to think carefully about the purchase of your boat: which boat would suit you most? If you are looking for a boat that can stand some rough handling, why not try a Whaly? Here's why:

- Incredibly sturdy: this boat is moulded in one piece
- Made completely from double-walled Polyethylene
- Stability is the boat's main feature: safety is guaranteed
- A sleek design combined with comfort
- Low-maintenance (needs only soap and water or a high-pressure cleaner)
- Colour-fast (all boats are UV-stabilised)
- Very spacious interiors
- CE-certified

Recreational use

If you love to be on the water and would like to sail in a low-maintenance boat – one that can take a bit of rough handling, then you should certainly consider one of the Whaly models. A Whaly boat features a well thought-out design with a focus on stability and safety. And every Whaly has a spacious interior and great sailing qualities – what more could a sailor want?

How about a quick boating jaunt? Some water-skiing fun? Or a peaceful tour of the city canals, without worrying whether the boat can squeeze under those low bridges? You can relax and enjoy the water because it's no problem with a Whaly!

We would be delighted to help you find the Whaly that suits your needs.

Boats for professional use

More and more businesses are discovering the great properties of Whaly work boats, because Whaly's work boats are tough, long-lasting and have good sailing qualities. You will save on maintenance costs, thanks to their Polyethylene build. Dredging companies, fire departments, Customs and the Directorate-General for Public Works and Water Management have been using Whaly boats for years to their complete satisfaction.

If you are looking for a good quality, robust work boat, you'll find that Whaly's boats offer ample room and stability for competitive prices. And last but not least: they guarantee maximum safety for you and your passengers.

We would be delighted to help you find the Whaly that suits your needs.

The following Whaly boats/models are suitable for professional use:

Lifeboats

Safety first! More and more often, Whaly boats are used in commercial shipping as lifeboats stored on board. If your industry recognises the necessity of a practical lifeboat, why not try Whaly's almost indestructible crafts? They can be used for all sorts of different rescue operations, but in whatever situation they are, you know that safety comes first with Whaly.

Nobody likes think of disasters, but if one does arise, you have to act quickly. If you are looking for extremely sturdy basic equipment or a boat that can take some rough handling, you will find that you can rely on the optimal safety of Whaly's boats: safety for you and your passengers.

We would be delighted to help you find the Whaly that suits your needs.

The following Whaly boats/models are suitable as lifeboats:

Boat hire companies

Increasingly more boat hire companies are choosing Whaly boats – and that’s not really surprising, considering their safety and great sailing qualities. And as a boat hire company, you’ll be glad to know that Whaly’s boats require very little maintenance; they are also extremely sturdy and can stand some very rough handling. Even small instances of damage like scratches are almost invisible because the boats are built from materials that have solid colouring.

Whaly’s steering console makes sailing even more comfortable for your customers. Perhaps you want to extend your range to include a boat with a roomy interior – take a look at Whaly’s practically indestructible boats and you’ll see why they would be a wise choice.

We would be delighted to help you find the Whaly that suits your needs.
